

# Stop Ameren's \$130 million rate hike plan!

Illinois Commerce Commissioners  
527 E. Capitol Ave.  
Springfield, IL 62701

Dear ICC Commissioners:

Please block Ameren's \$130 million rate-hike plan. It was in 2008 that the company was granted a delivery rate hike of about \$162 million—the same year it made profits of more than \$600 million.

I cannot afford rate hikes of this magnitude, especially in light of a study by consumer advocates that showed Ameren was one of those most wasteful utilities in the country. Please take a stand for consumers and reject Ameren's exorbitant rate-hike plan.
