

Ameren Illinois' Energy Efficiency Programs

FACT SHEET

May 2025

Multi-Family Energy Efficiency Program

Multi-family buildings powered by Ameren are eligible for FREE energy-saving products, which may include:

- LEDs for individual units and common areas
- Showerheads and faucet aerators
- Advanced power strips
- Smart thermostats
- Hot water heater pipe insulation

This program is available to multi-family properties, regardless of the income of the owner or occupants. You have to be either an Ameren gas or electric customer.

The owner or manager of a property containing 3 or more individual residential units can visit amerenillinoisavings.com/multifamily/multifamily-property-managers to schedule an assessment for their building.

Income Qualified Program (Single-Family)

Ameren Illinois customers who meet income requirements based on household size qualify for a free home energy audit, which may include the following free energy-saving measures:

- LED lightbulbs
- Showerheads and faucet aerators
- Advanced power strips
- Smart thermostats
- Upgrading heating & cooling equipment
- Air sealing & insulation

Visit amerenillinoisavings.com/qualified under the tab 'Information for Eligible Homeowners' to determine if you fall within the maximum income requirements chart. If you're interested in scheduling an appointment, complete an application online or call 1-866-838-6918.

In-store Lighting Discounts

You can receive instant in-store discounts on select Energy Star-certified LEDs and LED fixtures. Save on a variety of energy-efficient light bulbs at participating retail stores. No coupon is required—prices shown reflect the instant discount.

For specific retailer locations, visit amerenillinoisavings.com/residential/find-energy-efficient-products.
